Submitted to His Highness.

In connection with the question of excess expenditure incurred under "Palace Military" in the year 1904-05, the Comptroller observed that the arrangement ordered in 1891 of transferring from the Civil List to the General Revenues the establishment charges in question, leaving them however under the control of His Highness the Maharaja, was anomolous and at the same time suggested two alternative schemes viz., (1) that either the establishment be placed under the Military Assistant, or some similar officer applying the ordinary financial rules as in the case of the Government establishment; or, (2) that the grant be converted into a consolidated contract grant at the disposal of His Highness.

On the recommendation of the late Dewan, the excess expenditure for 1904-05 was sanctioned in His Highness' order of the 21st November 1905, and the other proposals were reserved for further discussion.

The matter was fully considered in Council

and I enclose an extract of the proceedings relating to the subject. I re-submit the file with the correspondence of 1891 for orders.

Extract from the Proceedings of the 151st *Meeting of the Council of His Highness the Maharaja, held at* Bangalore *on the* 10th September *1906*.

I. Subject (Clause iii and xii).

Regulation and control of expenditure on the Palace Military, the cost of which is being met from State revenues.

Opinion.

The Comptroller has discussed the question in his note of 25th October 1905, and suggested certain alternative schemes; and the Council thinks that it is a matter for His Highness' orders which of those schemes should be approved.

(Signed). V.P.Madhava Rao,
Dewan of Mysore.

I quite concur with the Comptroller in his opinion that the present position is an anomalous one, & have therefore no hesitation in accepting the second alternative arrangement proposed by him & passed in Council. A sum of Rs 1000000/ may be provided for every year in the State Budget estimates as a Consolidated Contract grant for the upkeep of the palace military.

States that the Palace military expenditure, being under the personal control of His Highness the Maharaja, the present practice of providing for it in detail in the Govt estimates and applying to it the ordinary rules of audit is anamolous and productive of inconvenience & that an expenditure of this kind is more properly met by a contract grant & accordingly directs that a sum of Rs 1,00,000/- be provided every year in the State Budget Estimates as a Consolidated Contract grant. for the upkeep of the Palace Military Establishments.
